

## Used Oil & Oil Filters

- Pour motor oil into a plastic screw top container.
- Place drained oil filters in a plastic, seal-able, see-through bag.
- Place used oil and filters 2 ft. from blue can on your recycling day.

\*If you do not have residential garbage service or live in an apartment complex, please contact (800) CLEANUP for the closest oil recycle center or ask where to recycle used oil when purchasing items.

## Where Does My Trash Go?

Collection guide for residential solid waste, recycling and other collection services.
