EXCELLENT BENEFITS

Interested in a water distribution career?

We're looking for our next Water Distribution Operator teammate to take pride in maintaining our water in Ceres. The Operator I is an entry level position, however extra weight is given to those applicants with Water Distribution Operator coursework or municipal utility experience. Ideally you have a high aptitude for maintenance work and love to be outside. The full-time work schedule is only four days per week, ten hours per day for a desired work/life balance. The City offers some 100% premium paid health benefit options as well as a generous lifetime pension after vesting.

Responsibilities may include:

- Handle complaints and answer questions from the public
- Make minor adjustments on service equipment; maintain tools and equipment in working order
- Maintain logs of daily activities
- Operate and maintain wells, reservoirs, and treatment facilities; inspect residential and commercial service issues
- Lay and fit pipelines; make water line taps; install water services, fire hydrants, valves, and other water devices

Requirements:

- [Operator I] - No experience required (Muni utility experience and/or water system maintenance experience desired)
- [Operator II] - Two years' experience performing duties at a level comparable to a Water Distribution Operator I & Grade I Cert
- Education equivalent to the completion of the 12th grade
- Possession of a valid, California Driver License, ability to obtain Class B

Opened: January 12, 2022

Application Deadline: Open until filled

Applicants must submit a completed online City job application and supplemental questions by the filing deadline.
