California Friendly Landscaping Workshop Series II

Ceres Water Conservation staff invites residents to attend an informative and interactive workshop covering the following topics:

- Landscape Design by Plant Water Needs
- Native California Plants
- Smart Irrigation Systems
- Caring for your Landscape
- Turf Removal Rebate Program

Learn how to maintain your landscape and reduce water by improving water management and system efficiency.

Saturday, April 30th 9 AM – 12 noon
Ceres Community Center 2701 4th Street Ceres, CA

Call (209) 538-5688 to reserve your spot or visit us online at <http://www.ci.ceres.ca.us/213a.html> and send us a message!
